

Green Chair Real Estate

33 Green Street

Glebe NSW 2037

Welcome to Green Chair Real Estate

Green Chair Real Estate with established in 1992 By George Ganter. George has several decades of real estate experience including:

- Residential and commercial sales
- Residential and commercial property management
- Business sales

Green Chair Real Estate is a proud member of several professional industry bodies and is an Agency Partner of the Real Estate Training Academy.

Based in Glebe (NSW) Green Chair Real estate can assist you with all aspects of real estate.

BUYERS

George and his team of 5 Sales Representatives have exceptional local knowledge. We offer a free consultation service where we get to know you and your real estate aspirations. Our promise to you is honesty, integrity, and partnership in every step of the journey.

SELLERS

We are committed to providing exceptional personalized service. We will provide a realistic appraisal and work with you to establish a custom marketing strategy.

As a valued client, you will receive weekly written updates from us, and we will keep you informed with regular phone updates as well.

We offer a premium property dressing service (to prepare your property for sale) and engage professional photographers to best present your property to the market. A free initial consultation regarding how to dress your home for success is provided as part of our service. You can also download a free guide from our website.

Additional services are provided at very reasonable rates.

INVESTORS

Our property management services are highly competitive with set monthly fees and annual reviews. Our highly skilled team of property managers look after all your property management needs from marketing your property, conducting open inspections, screening applicants, and ongoing management and maintenance coordination. You have the flexibility to select from a range of management options.

Whether you choose Green Chair Real Estate to sell or manage your property or business, we will ensure that attention to detail is front-of-mind.
